

DAVID HAMILL

22nd July 1981 —26th March 2007

David Hamill, from Ballymena Northern Ireland, was a remarkable young man whose life was dedicated to Christ.

He was a teacher who, in the final year of his life, worked as an Education Officer and encouraged him to use his innovative skills with all ages in the community.

It was not until after God took him HOME to Heaven that we were aware of the IMMENSE impact he had on the lives of so many people.

Throughout all of his short life he had such a tremendous affect on, and was an inspiration to, so many – for good and for GOD. Everyone who knew David loved him and he loved so many in return.

He loved his family, loved people, loved children, loved music, loved sport, loved his family BUT his first and greatest love was his best friend the Lord Jesus Christ.

David ran the race well, fought the fight and finished well – he was at the pinnacle. He surrendered his life to God when He took him to be with Himself. We have the greatest and wonderful HOPE that we will see him again and be with Jesus – and David – for ever.

David lived his life by his motto—Romans 12:1 & 2, *“Be ye transformed.....”*

The family of David Hamill has graciously established a memorial foundation which will benefit Christ’s Hope International Kenya.

All funds designated for this Memorial Fund will assist orphans and vulnerable children in Kenya.

Even through this gift from his family, David continues to impact others lives as the children of Kenya benefit through his memorial.

CHI-K wishes to extend a special Thank You to David’s family for this gracious offering.
